

Taken from the OTHS Player Tryout Manual

Gear Information

- Each year there is a list of necessary team gear that a player will need for the season. This list will vary from year to year based on what the player had from previous years as well as what new gear is brought in for the season.
- No player needs to commit to purchasing any gear prior to the start of the season. Any gear that is purchased cannot be returned for reimbursement. If a player is in question as to whether or not they will make a team in the program it is suggested that they wait to order gear until have the rosters are established.

Team Stores

- **Post-Tryouts:** The team store will be re-opened the day that the final rosters are set to allow athletes to order their gear or any gear they still need to order for the season.

Required Gear Chart (What will players need at each level)

<u>Var.</u>	<u>JV</u>	<u>Frosh</u>	<u>ITEM</u>
